

CANTERBURY GENEALOGY

MEMBERS' RESEARCH INTERESTS

Canterbury Genealogy updates the members' genealogy research interests. The exchange of this information should greatly enhance research prospects for many of our members, but the success of this project will depend on the response that members make by filling in this form.

We input the entries into the computer as they come to hand. A database for searching is available on each of our computers.

INSTRUCTIONS:

1. Print or type all surnames in capitals.
2. Under AREA heading, state Country followed by Province / County, then City / Town
3. TIME SPAN being researched (optional) to be entered as ALL or in round years only followed by one of the following: - before; + after; C about. Also a range may be used e.g. year x – year y.
4. Variations in surname spelling may be indicated by using brackets, e.g. FERGUS(S)ON; MCCULL(E)Y(IE). Brackets should not be used for the first letter.
5. Entries to be submitted only on these forms or photocopies.
6. Completed entry forms may be handed to a duty librarian on library open days, posted to our P.O.Box or scanned and attached to an email and sent to our email address.
